Additional Information

- To create other profiles for your household, click the  icon at the bottom of the app (for mobile) or click your name in the top right (for browsers).
- Next, click switch profiles and select the appropriate option: Adult or Kid.
- Then, you will be asked to create a profile name. Enter a name of your choice, for example, cablenumberonefan. Click save and then click the profile name to start watching. For Kid profiles, you would be asked to create a pin for protection. Enter the desired pin and click next.
- Enter a name, for the child, birth month, and year, then click next.
- On the 'Set Parental Controls' screen, select the appropriate viewing age for the child and then click save. (Please note that the ALL option will remain selected during this process.)
- On the next screen, select 'Got It' after reading the information on the kid profile.
- Select the kid profile name and now your child can begin to enjoy aged appropriate content.
